Opera For
The Young's

Barber of Seville

Opera *IL BARBIERE DI SIVIGLIA* by Gioachino Rossini
Original Libretto and Stage Direction by Diane Garton Edie
Music Adapted by Jeffrey Sykes • Musical Direction by Clinton Smith

FEEEEEEAGARO! A classic character comes to life as a motorcycle-riding rascal in Opera for the Young's adaptation of Rossini's *The Barber of Seville*.

Set in the fabulous 1950s, this comic opera will leave your students laughing, cheering and inspired. It's a riotous romp featuring a lovesick count, the blushing object of his affection, a crusty old doctor, and, of course, Figaro. Issues of class consciousness dissolve in the face of true love and hijinks. In this one-of-a-kind interactive event, your student chorus will perform in their roles as students of Seville High, a police officer and a very confused music teacher – alongside the professional cast members. *The Barber of Seville* will awe and inspire your students for years to come.
